

March 7, 1978

LB 586, 202, 640, 774
889A

PRESIDENT: Senator Mills moves that the bill be advanced. All in favor say aye, contrary say nay. The bill is advanced. Senator Nichol.

SENATOR NICHOL: Mr. Chairman, a few minutes ago I believe we advanced LB 623 and there is at least one amendment coming up and I suggest that we hold that on Select until Thursday morning, if that is possible.

PRESIDENT: It has been advanced off of Select to F & R Final. It can be returned at any time.

SENATOR NICHOL: Okay, thank you.

PRESIDENT: I think that tomorrow then you could move that it be returned for a specific amendment.

SENATOR NICHOL: Mr. Chairman.

PRESIDENT: Do you have the amendment now?

SENATOR NICHOL: No, Senator Barnett will be back Thursday morning and that was the reason for suggesting that time.

PRESIDENT: Whenever, we will make sure that it does not get placed on Final Reading and you tell Senator Barnett to move it to be returned.

CLERK: Mr. President, new bills, LB 889A introduced by Senator Koch. Title read. Mr. President, Senator Koch asks unanimous consent to print amendments to LB 202 in the Legislative Journal. Mr. President, Senator Reutzel asks unanimous consent to print amendments to LB 774 in the Legislative Journal.

PRESIDENT: Senator Cullan, for what purpose do you arise?

SENATOR CULLAN: Mr. President, a point of inquiry and I guess I would address this at the Clerk. Did we move to advance LB 582, is that correct, Senator Purney's bill in the North Platte fish hatcheries? The F & R amendments were not adopted, were they?

CLERK: I show them as adopted, Senator.

SENATOR CULLAN: Oh, you do. I didn't know they were adopted. Just checking, thank you.

PRESIDENT: That completes Select File. We go to General File. LB 169. All right. Pass it over again. LB 640. Revenue bill, it is in Senator Keves' committee.

CLERK: Mr. President, we considered LB 640 yesterday. When we left the bill, there was an indefinitely postpone motion offered by Senator Labedz pending.

PRESIDENT: The Chair recognizes Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. Chairman. I believe when we ended yesterday, when we ended the hour, Senator Dworak was speaking and I don't know whether he has finished or not. He said that he would continue on this morning.
